

Informed Consent

Consistent with our commitment to transparency and as required by law, we are seeking your informed prior consent to receive commission in relation to the general insurance products we will/have recommend/ed to you.

The Commission we will receive from the insurer(s) is included in the premium paid by you. It is part remuneration for the advice and ongoing support we provide in relation to your insurance needs, as set out in our Terms of Engagement. For your understanding the details of the Commission are as follows:

| Annualised % of Base Premium | Frequency Paid |
|------------------------------|----------------|
| 0-30% | Annually* |

* Please note that for monthly instalment policies we will be paid commission monthly.

If it's in your interest, we may recommend that renewal of your policy is placed with an alternative insurer. We will provide you with the list of alternative insurers with whom we may place your policy upon request. Each of these insurers pay a rate within the band provided above. The name of the selected insurer and the exact dollar figure of the amount of commission we receive will be disclosed in our tax invoice.

Your Consent

We ask for your consent to be paid by the relevant product provider the Commission set out above. You can provide your approval by calling or emailing us. Your consent is irrevocable and will apply to all new policies and future renewals, endorsements and variations of general insurance retail policies placed by us unless there is a material change in the rate of commission.

I/we grant our informed consent to the above rate of Commission being paid to you.
